

Pizza Challenge Recipe Builder

You will be building a pizza recipe for our school lunch program. All pizzas in our school lunch program are made with whole-grain rich crust, and low-fat and low-sodium ingredients.

What do you want to use as a sauce on your pizza?

- Alfredo sauce (white cheese sauce, low-sodium, low-fat)
- Red tomato pizza sauce (low-sodium)
- Oil and garlic

Which cheese would you like to use on your pizza?

- Mozzarella (low-fat)
- Cheddar (low-fat)
- Parmesan (low-fat)
- Feta (low-fat)

Which meat would you like to have on your pizza?

- Turkey Meatballs
- Grilled Chicken
- Pepperoni
- None

Which vegetables would you like to have on your pizza?

- Eggplant
- Peppers
- Tomato
- Onion
- Spinach
- None
- Other:

What herbs would you like to have on your pizza?

- Fresh basil
- Fresh parsley
- Dried oregano
- Dried Italian seasoning mixture

Briefly describe your "recipe" for your pizza. Your description will help us be certain you have the ingredients you need.
